By registering your details for a website account with Deep Sea Electronics you agree to share your information with DSE and where applicable the authorised DSE distributor/reseller/systems integrator for your territory and be contacted via your chosen methods. You can change these contact preferences at any time by accessing your DSE user account. You can unsubscribe from receiving emails by clicking the unsubscribe link in email footers. Your details will never be shared with additional third parties.

Once you have completed the three sections, finish your registration by checking “I'm not a robot” and click **SUBMIT**.

You should receive a confirmation email that your account has been established.

Search

DSE Config Suite

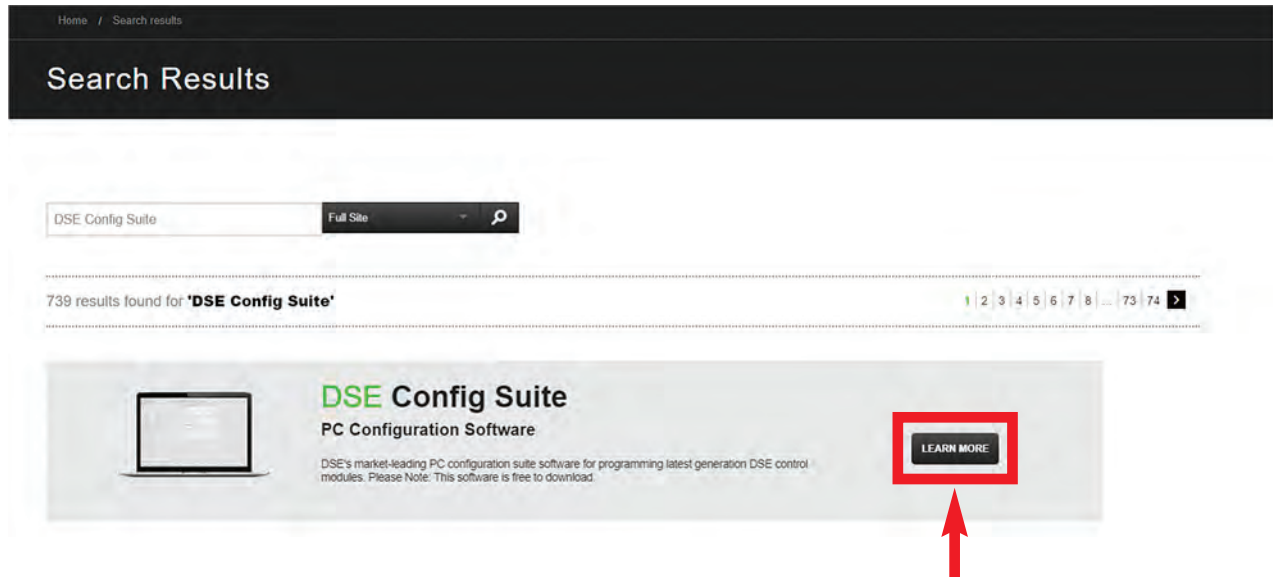

Click the **Search** icon.

Type **“DSE Config Suite”** in the search field and hit enter.

# DSE DEEP SEA CONFIGURATION SUITE

## Downloading the DSE Software

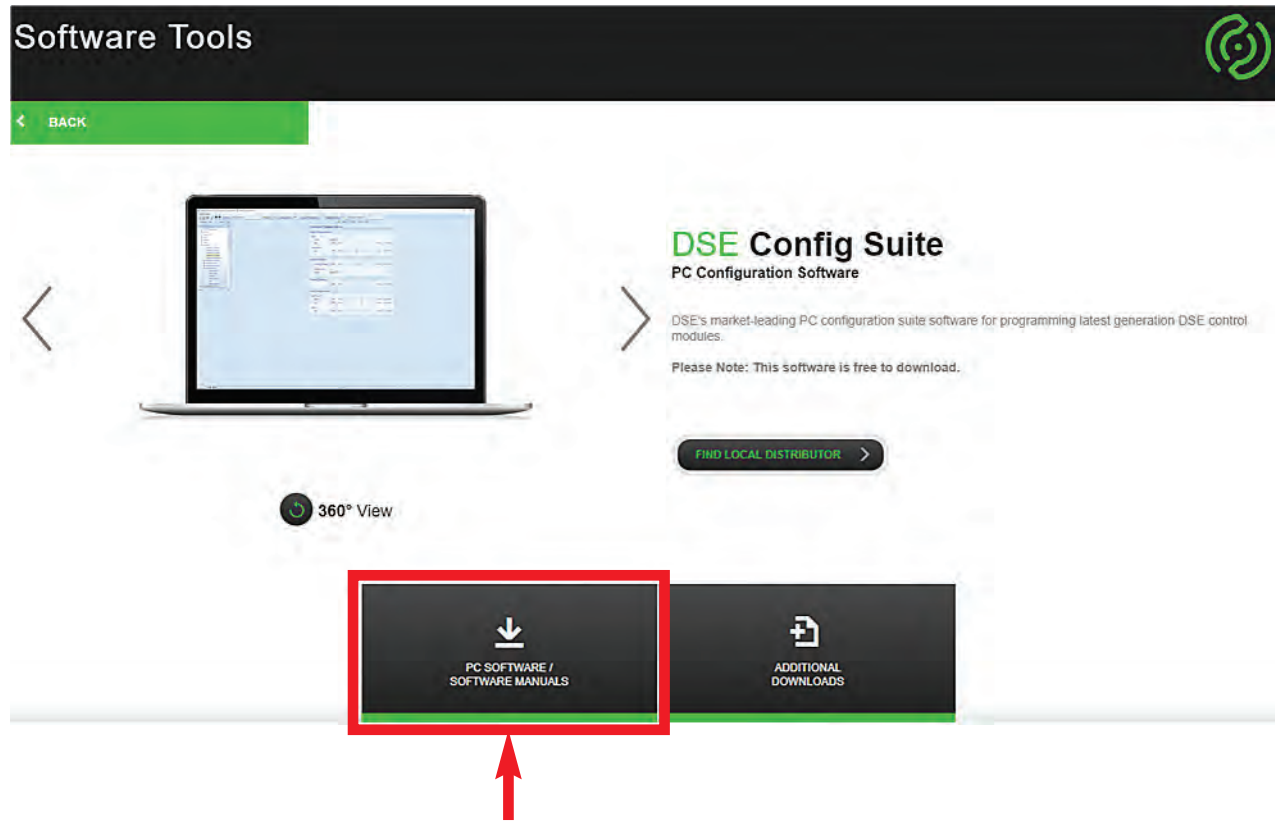

“DSE Config Suite” should appear on top of the search results.

Click **LEARN MORE** to continue.

## DSE DEEP SEA CONFIGURATION SUITE

### Downloading the DSE Software

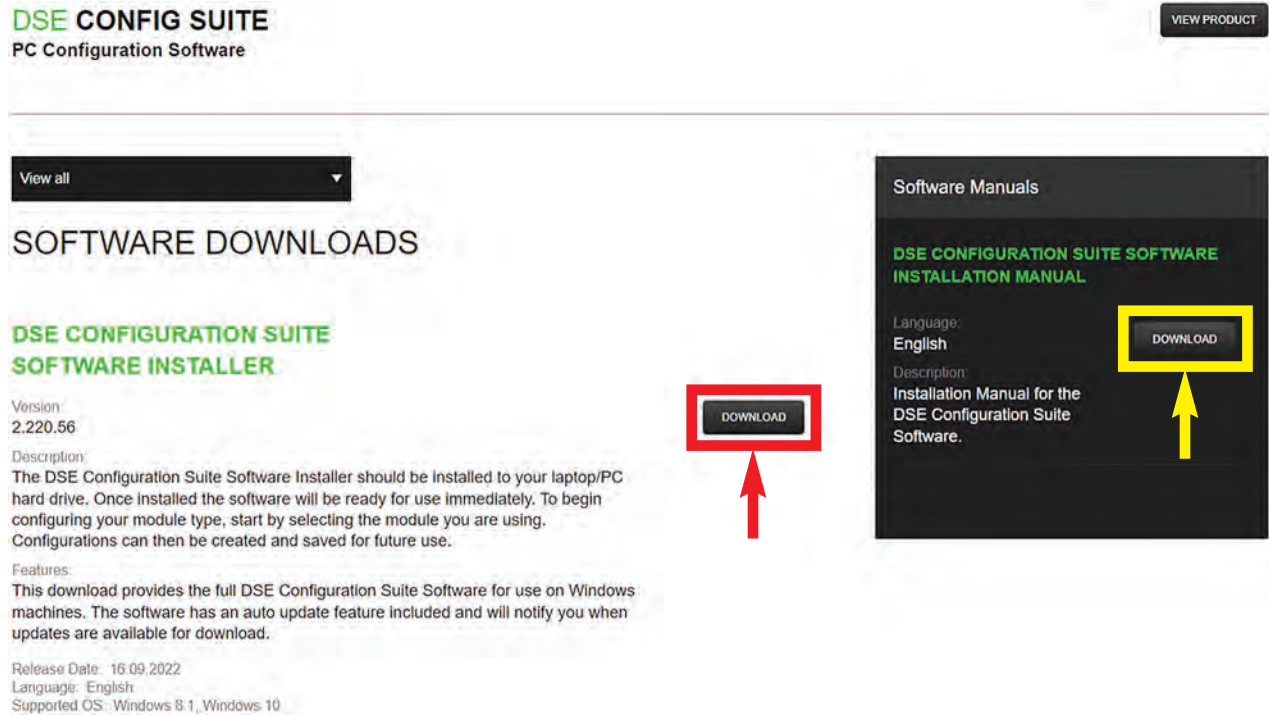

This is the Software Tools product page for the DSE Config Suite.

Click on the **PC Software / Software Manuals** button.

This button will bring you to the links for downloading the DSE Config Suite software and the user manual.

# DSE DEEP SEA CONFIGURATION SUITE

## Downloading the DSE Software

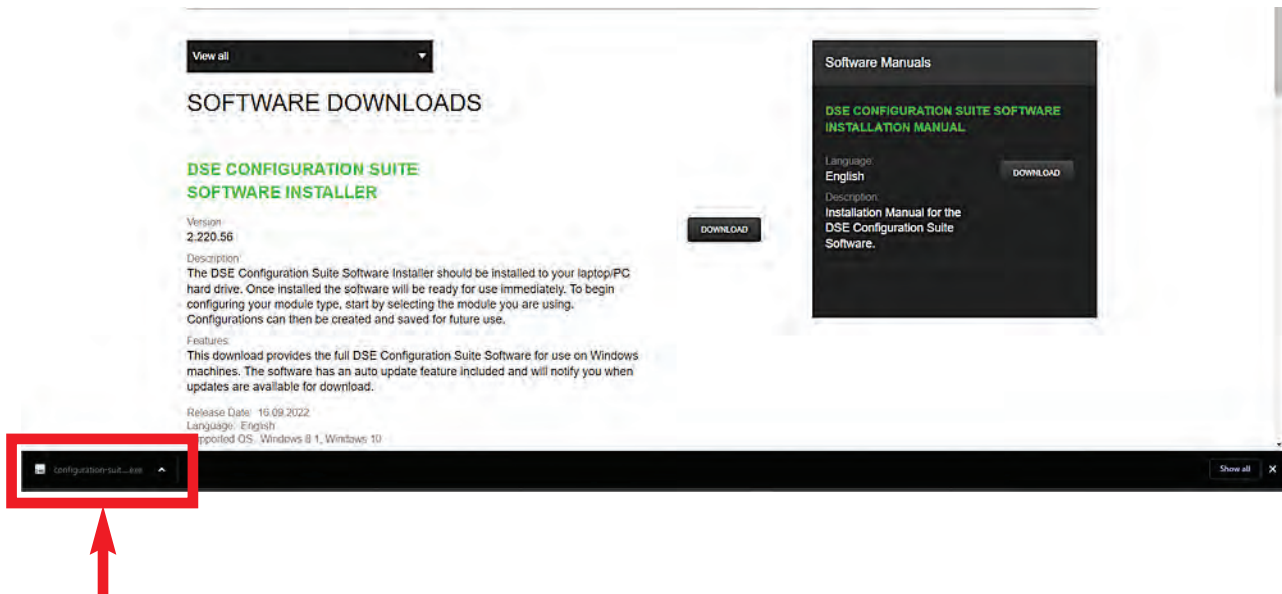

The screenshot shows a web page for 'DSE CONFIG SUITE' with the subtitle 'PC Configuration Software'. A 'VIEW PRODUCT' button is in the top right. Below a 'View all' dropdown menu, the page is titled 'SOFTWARE DOWNLOADS'. The main content area features a card for 'DSE CONFIGURATION SUITE SOFTWARE INSTALLER'. This card includes the version '2.220.56', a description of the installer, and a 'DOWNLOAD' button highlighted with a red box and a red arrow. To the right, a 'Software Manuals' sidebar shows the 'DSE CONFIGURATION SUITE SOFTWARE INSTALLATION MANUAL' with a 'DOWNLOAD' button highlighted in yellow and a yellow arrow pointing to it. Additional details for the installer include: 'Release Date: 16 09, 2022', 'Language: English', and 'Supported OS: Windows 8.1, Windows 10'.

Click the **DOWNLOAD** button to start downloading the software.

On the same page you have the option of downloading the DSE Config Suite **User Manual**.

# DSE DEEP SEA CONFIGURATION SUITE

## Downloading the DSE Software

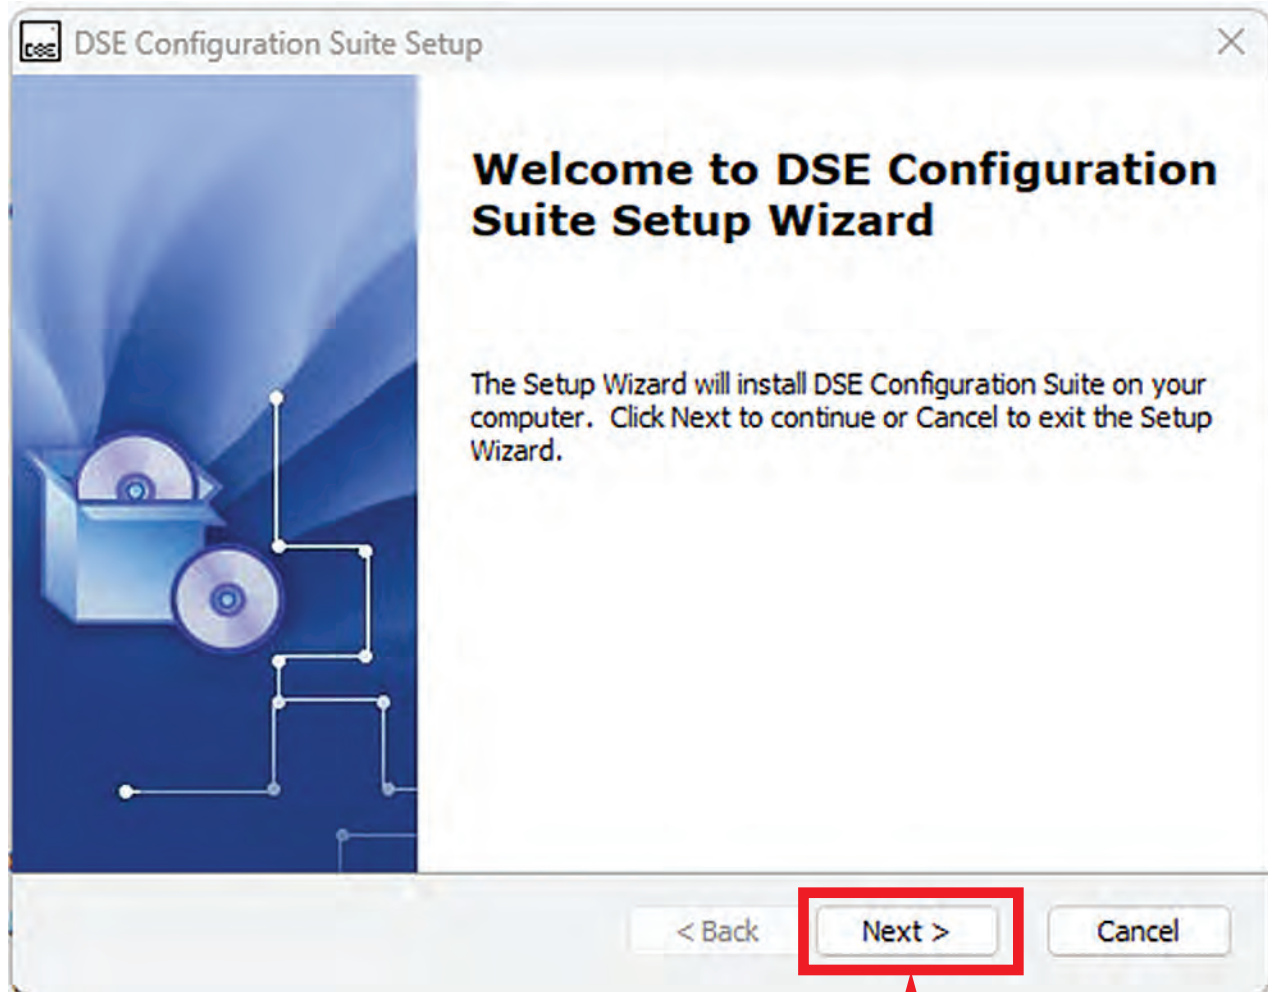

Once you click the “Download” button, the software will begin downloading to your computer.

See the lower left corner of your screen for an indicator that the download is in progress.

## DSE DEEP SEA CONFIGURATION SUITE

### Downloading the DSE Software

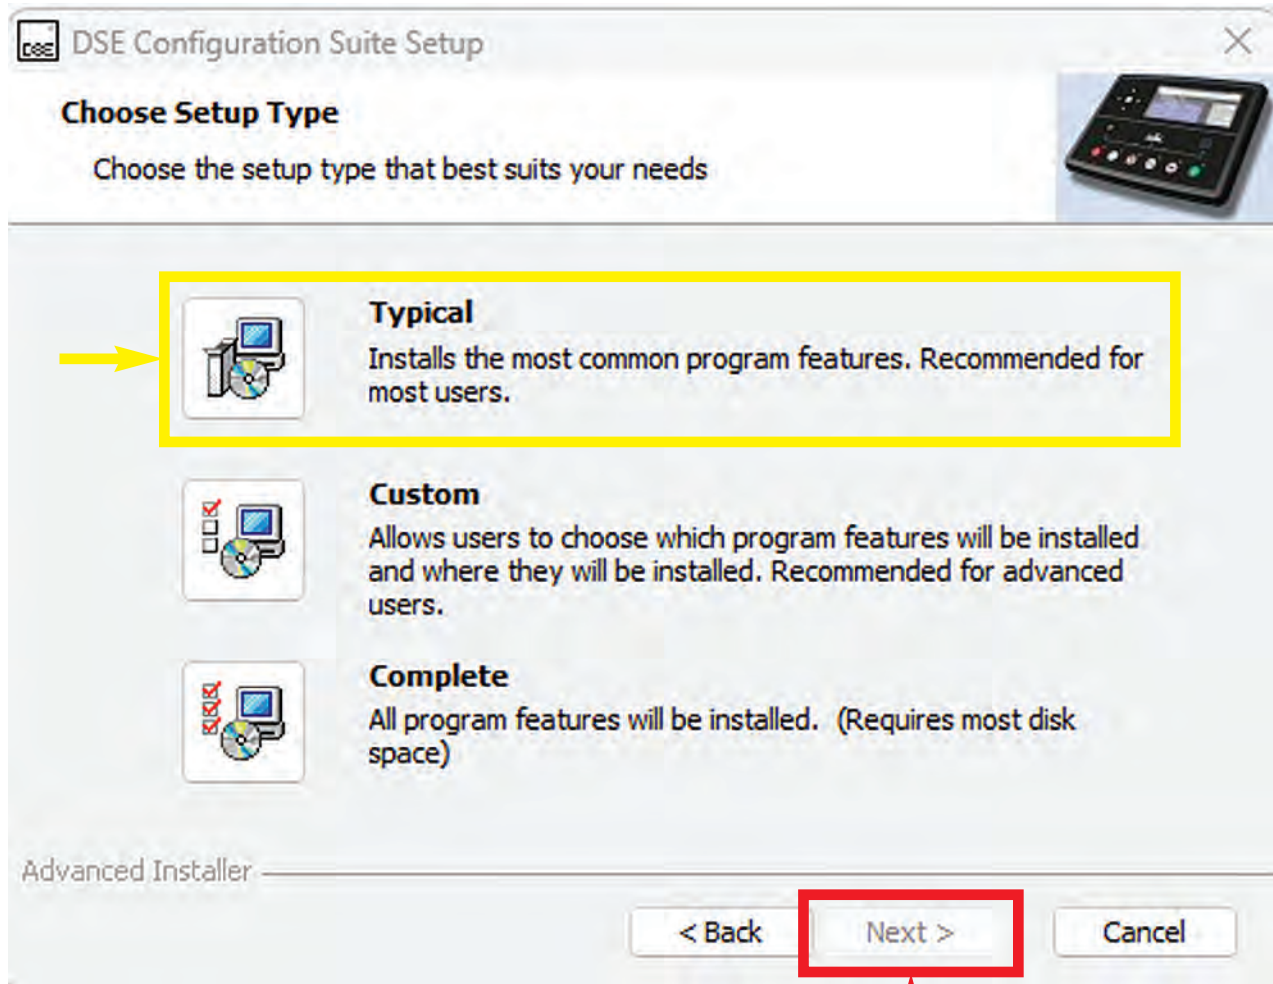

When the download is complete, a **DSE Configuration Suite Setup Wizard** will pop up on your screen.

Click the **NEXT** button to continue.

## DSE DEEP SEA CONFIGURATION SUITE

### Downloading the DSE Software

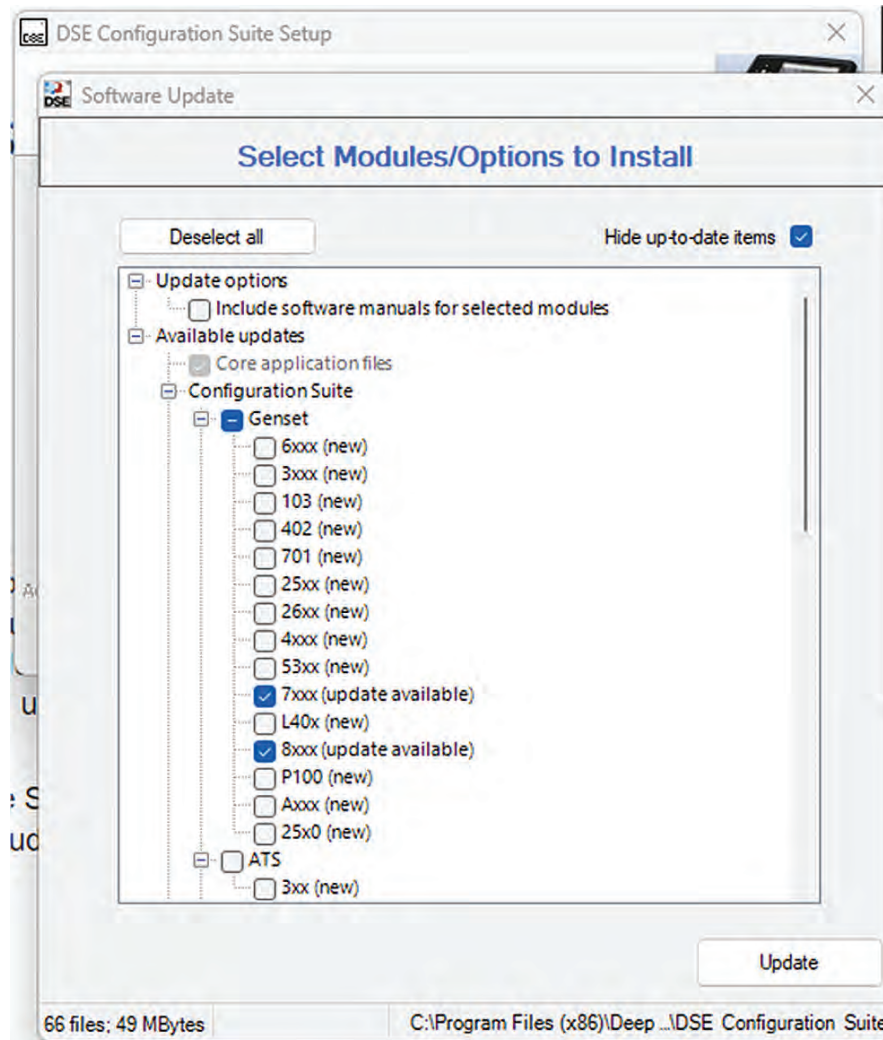

The next Setup Wizard window allows you to choose the setup type.

Choose **Typical** for the best setup type for the DSE Config Suite.

Click the **NEXT** button to continue.

# DSE DEEP SEA CONFIGURATION SUITE

## Downloading the DSE Software

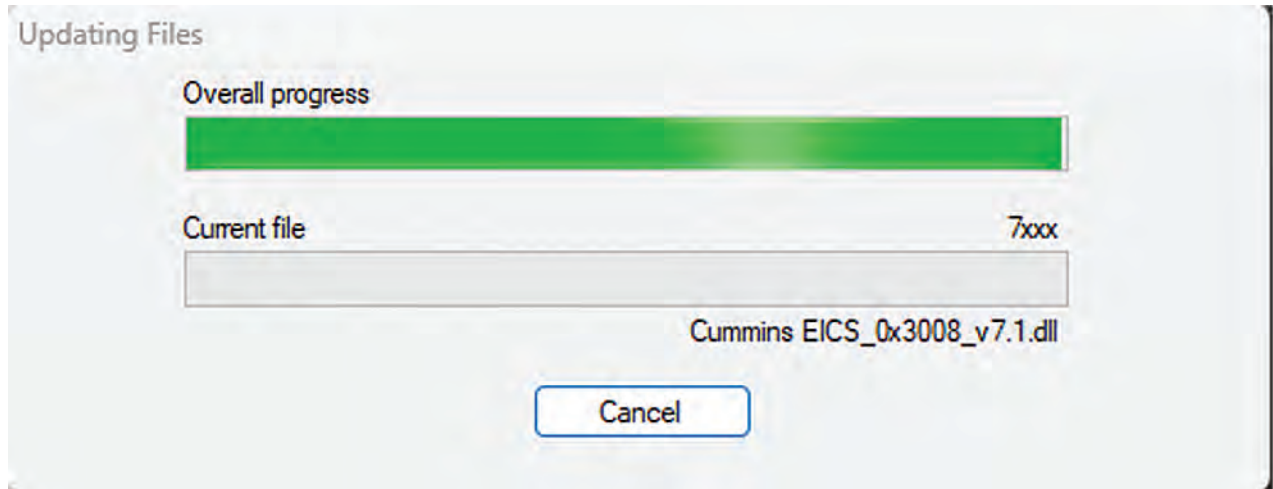

Select the “7xxx” and “8xxx” genset modules/options so they are the only two gensets to be downloaded.

### NOTE:

If you choose all or more modules, the software download will take HOURS to complete!

## DSE DEEP SEA CONFIGURATION SUITE

### Downloading the DSE Software

Click the **INSTALL** button.

An “Overall Progress” tab will automatically open and show you the download in real time.

## DSE DEEP SEA CONFIGURATION SUITE

### Downloading the DSE Software

Once the setup is complete, the Setup Wizard will alert you with the window above.

Click the **Finish** button and the Setup Wizard will close.

## DSE DEEP SEA CONFIGURATION SUITE

### Downloading the DSE Software

You will see this DSE Configuration Suite shortcut icon on your desktop.

Double-click the icon to start the DSE program.
